

# Blue PLATE

Dear Potential Town Planner Customers,

We have been working with Town Planner since 2012, and just signed on through 2021. Town Planner has been an exceptional partner for us. Brian made the setup and execution simple and easy. The results we have seen from Town Planner have been undeniable.

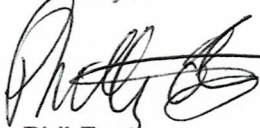

We are seeing an average of 180 coupons come in every week. With an average net sale between \$45-55 per coupon. We have seen an additional \$8,000-\$9,000 in gross sales a month.

We love being in potential guests' homes, or places of business. It is a great benefit that they keep them year round. It really has been a successful partnership for us.

Brian is professional, courteous, and supportive. He is always looking to find more ways to promote your business. Including event listings. He has consistently provided us with easy payment options. Breaking it down to monthly payments. Which is extremely accommodating when you have a monthly advertising budget.

I would strongly recommend Town Planner to anyone looking to expand their business to a new demographic. It is a great opportunity to increase revenue and profit.

Thank you
