Minnesota Town Planner Community Calendar

Dear Brian,

I am writing to let you know how pleased I am with the results I am seeing from advertising in the Town Planner Community Calendar. We immediately saw fantastic results with lots of new guests enjoying Malone's Bar and Grill.

I appreciate that the Town Planner reaches my target market in a valuable format. It is packed full of useful information that helps busy families stay connected to the community. With everything to local photography, community events and even Twins games, it doesn't surprise me that so many people hang on to it all year long.

Town Planner is an a great way to advertise and to get new people into any business. I look forward to working with Brian and the Town Planner in the future.

Sincerely,
