

St. Tropez is never far away!

April 5, 2007

Hi Tom,

We are thrilled with the results that we have received from the coupons in the Town Planner Calendar.

We never expected to get these results because coupon ads have never worked for us in Encinitas. Your coupons worked better than any other advertising we have done in the past, and so, we are excited about renewing for next year.

Regards,

Colleen Power

Chief Financial Officer
