Alan,

We are delighted with our first year in the Town Planner. The coupon redemption has been very impressive. We appreciate the fact that the Town Planner allows us the opportunity to be on display every day in homes that are near our restaurant.

We highly recommend the Town Planner to any establishment that wants to grow their business and give back to the community. Thank you for your professionalism and dedication to this project. We are happy to renew our participation for 2008.

Sincerely,

Stephanie Roenker
