

June 30, 2008

Marlene,

Our experience with the Town Planner has been excellent and proven extremely effective. The daily return of the coupons is numerous and the feedback is great. Not only does it allow our patrons a great incentive to keep coming, but also brings in new faces to the store. We enjoy strongly recommend being in the Town Planner for any business, new or established.

Sincerely,

Mark Zarr
Junga Juice
VP of Marketing
