## Sliced Fresh Sandwiches!<sup>™</sup>

May 27, 2008

Marlene,

Just a quick note to say, "Thank you". This year was our first opportunity to work with the Town Planner and we are very happy we did. We were not sure what type of traffic the Town Planner would drive needless to say we are very pleased with the results.

We have had several customers who were first time customers using the coupons from the Town Planner. These customers are family now they come in every week. The Town Planner was a great investment and wonderful experience for us.

Thank you for the wonderful service and great opportunity.

Best Regards,

Kim Kennedy
