Dear Anthony and Julie,

I'm writing to let you know about our success in the Town Planner Calendar.

Our experience with the Town Planner Calendar has been great! What I love about the Town Planner Calendar is that it offers frequent viewing and a long shelf life. We received approx. 85 coupons in the first month. This has nearly paid for the entire 8-month program. We like that the coupons come in consistently every day and we see many new faces that are most likely trying our restaurant for the first time.

The advertising in the calendar is working for us. Being part of the community is great for our business. I highly recommend the Town Planner Calendar to other restaurants that want to grow.

Yours sincerely,

James and Linda Misakian
