

CASA MEXICO

MEXICAN & AMERICAN DINING

May 20, 2008

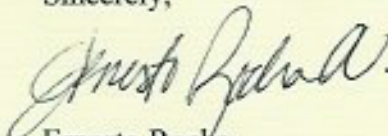

Marlene,

I want to take this opportunity to express my satisfaction with Town Planner. We are proof that marketing through Town Planner is a positive business move. Our restaurants average about 8 coupons daily which equates to greater profits for us. The cost of advertising in Town Planner pays for itself.

I especially enjoy the way your publication combines community events and local businesses. Casa Mexico Restaurants are locally owned and I feel that Town Planner allows us to highlight our gratitude to the great people in the Treasure Valley.

We plan to continue advertising in the Town Planner because we are certain it works. Furthermore, we would recommend the Town Planner community calendar to any local businesses looking to increase their advertising.

Sincerely,

Ernesto Rocha
Owner
