

Scott,

I want to know how happy I am with not only you but also the Town Planner. All I can say is: "It works". I receive coupons on a daily/weekly bases and am very happy with the results I am getting.

As a family owned restaurant, this is a great way to get in front of the community and the Town Planner gives people a reason to choose us when dining.

La Parrilla is approached every day with the "next best thing" in advertising. Having tried most of them, the Town Planner is one that truly works. In addition to the new business we receive from the Town Planner, I also enjoy the feedback your reply cards give me about my restaurant.

Your ideas truly help innovate the process of advertising. I look forward to expanding with you next year.

Thanks,
Diego Velasquez
