Alan,

This is our 1st year in the Town Point Planner Calendar. I was very excited to advertise in something that our prospective clients would keep in their homes for the entire year. It's unusual to be able to market and advertise in something for an entire year.

Coupon redemption has been impressive – 3 to 5 per day. Your consistent follow-ups and personal touch/care throughout the process made advertising in this great product enjoyable and easy.

Thanks,

Edgar Pinilla - Owner
