

Joyce Carter's Town Planner is one of the best marketing tools I have ever used. Unlike radio and television advertisement, you can accurately track all the clip out coupons every time the customer uses them. We averaged about 5 clippings a day when her calender rolled out. So much so, my owners thought maybe some of our customers were making copies of them, and using them. I highly recommend you advertise your business with Joyce Carter, not only is her product good, but Joyce is professional and a joy to work with

Thank you!
