

THE CORNER 
229-3033 GROCERY

March 25, 2013

Purchasing advertising in the New Iberia/Loreauville edition of the Town Planner has been a great investment. We have tried newspaper and clipping coupons in the past with little results, but the Town Planner coupons come in on a regular basis. They started coming in as soon as the calendars were delivered. We are a small community in the distribution area, and although all of the residents of Loreauville did receive the calendar, we were only a fraction of the total number distributed. We have already redeemed 131 coupons and March is not even over! Many of the customers who come in with their coupon purchase additional items while they are here. I can't wait to see the results thru the end of the year. Thanks for including us in the 2013 Town Planner.
