

March 29th, 2012

Dear Scott,

Thank you for allowing me the opportunity to have Flict Salon included in the Chandler Town Planner calendar. We have already had **(41)** new customers come in this year and a few days still remain in March! I know that these are new customers because it is a requirement of our offer.

I was really surprised to find that we had 15 coupons redeemed at the end of January considering there is no mention of Flict on the month, and the coupon doesn't appear until June! We had another 22 coupons returned in February, so, the business is consistent. I highly recommend advertising with Town Planner as it was an easy experience and has helped my business grow.

I look forward to being a part of the 2013 Town Planner calendar.

Yours Sincerely

A handwritten signature in blue ink, appearing to read "Talbot Clifton", with a long horizontal line extending to the right.
