Minnesota Town Planner Community Calendar

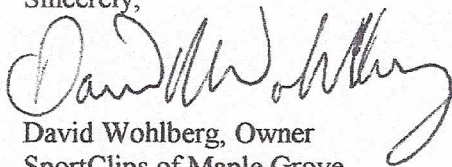

Dear Brian,

I am writing to let you know how pleased I am with the results I am seeing from advertising in the Town Planner Community Calendar. Over the first 8 months, I have received over 400 redemptions including 64 new clients. It is because of success like this that I have already renewed for 2012.

I appreciate that the Town Planner reaches my target market in a valuable format. It is packed full of useful information that helps busy families stay connected to the community. With everything from local photography, community events and even Twins games, it doesn't surprise me that so many people hang on to it all year long.

Town Planner is an effective local marketing program for me and I would recommend it to fellow business owners that are looking to increase their revenues. I look forward to continuing our relationship for many years to come.

Sincerely,

David Wohlberg, Owner
