CHAPEL HILL

10/1/09

Hello Marcia,

I just wanted to tell you how much the Town Planner has been an asset to our company.

We have been an advertiser in the calendar for three years now, and our coupons have been consistently returned to us throughout the year. We've been both surprised and very pleased.

Your calendar is a wonderful advertising tool and we're glad to be part of it. You are also very easy to work with and I love the fact that you stop in often just to say hello.

Thanks again and keep up the good work!
