Dear Kenda:

I wanted to take a moment and write you to let you know how pleased I am with the response I've received from advertising "hair by Gina Rios" in the Townplanner. I am receiving on average 3 new clients per week just in the first 3 months! That is incredible!!! I have tried other forms of advertising, much more expensive forms of advertising, and have never received such a good response as I have with the Townplanner. I just wanted to thank you for giving me the opportunity to be in the Matthews edition and look forward to a long relationship with your company!

Sincerely,

Gina Rios
