Town Planner
3 The Pines Ct.
St. Louis, Mo 63141

Sue Anderson,

I want to thank you for the framed picture gift of the 2011 Town Planner for St. Louis. I am excited to be in the calendar for 2 locations this year! In my company, I am in various homes and businesses throughout the year and find the Town Planner hanging in many of them. It is a vast resource for not only quality services and products, but for local attractions as well.

DUCTZ of West St. Louis is proud to be in the 2011 Town Planner! Keep up the good work and looking forward to being in the Planner in years to come.

Sincerely,

Patty Clisham
