

March 30, 2015

Rich,

It's been a great honor participating in your calendar. Your ad listing us as a local business in the service directory for Gurnee has consistently provided new clients year after year. Being a local masonry business it's hard to find the right path to good meaningful advertising and your calendar is perfect! Most of our work comes from repeat customers and being in business since 1965 we have a lot of them. As this calendar reaches every residence in Gurnee's massive population it's an excellent tool that helps us grow our client base.

Keep up the great work.

,Chris
