Mr. Jerry Kuykendall
Publisher
Town Planner
1498 N. Broadway
Lexington, KY 40505

Dear Jerry,

The Town Planner has allowed us to target areas in the Lexington community very inexpensively. We were very pleased with the quality of the product and really liked the fact that we would be direct mailed to each homeowner. We received calls the very first week it was mailed.

Our service is not an impulse situation. Our Town Planner ads enabled homeowners to think about it and receive a free estimate before they committed. We will definitely use The Town Planner again.

Sincerely yours,

Brian Lockhart
President
