Dear Town Planner-

We at Splish Splash Pressure Washing would like to let you know how advertising in your calendar has helped grow our business.

We have had much success just since the release of the calendar in January! Phone calls have been coming in even in the winter time for estimates which is amazing! We are very thankful to our sales rep, Kenda McCoy, who took the time to sit down with us and go over successful coupon choices to pick for our advertisement! We are finding that the customers who are calling all take advantage of the \$40.00 off coupon the most.

We advertised and ran coupons in four different areas, all of which are near our home town. We couldn't have reached that many people alone. Advertising is a MUST in any industry! Getting your name out there into peoples homes on a calendar that's in their home year-round is priceless to us.

This is the first time our company has advertised and we are so glad we chose the Town Planner Calendar to advertise with. Every customer we talk to has the calendar, loves it and uses it for the savings. It's so nice to have a sales rep locally as well. Kenda has even given our name out to some of the people she knows in the area and we landed a commercial job because of her referral!

We want to advise any businesses who are thinking about advertising in the calendar, to please take advantage of the opportunity. It's a wonderful way to promote your business and gain new customers by offering them a coupon! Getting new business is A LOT easier with the Town Planner's help! It reaches so many people in so many areas.

Thank you again Kenda and Town Planner,

Jackie and Justin McCray
