

**DUNCAN DOOR
SERVICE**
INCORPORATED

The Town Planner has been one of the most effective forms of advertising our company has used. The Town Planner enables us to keep our advertisement and coupons visible to the public all through the year. Advertising with the Town Planner is affordable, which is very important to a smaller company like ours.

The personalized service our rep provides makes us feel right at home.

We look forward to doing many years of business with the Town Planner.
