Pressure Washing

March 28, 2007

Alan,

This is a great way to get the word about what my business has to offer. **I highly recommend the Town Planner Calendar.**

Furthermore, I was very impressed and appreciative with your knowledge of what our establishment wanted and needed. Your consistent respectful follow-ups and personal touch made advertising in this great product enjoyable and easy. I can tell that you really do care about your clients.

Sincerely,

Charles Donahue
