Dear Bonnie,

The Town Planner Calendar has been our best source of advertising and we have tried them all. We have run the same offers in various coupon mailers but it is always the Town Planner coupons that are brought into our stores by customers.

We feel the Town Planner calendar is a practical selling tool for us. Everyone wants and needs a calendar, so people keep it and use it all year long. They don't throw it away when it arrives in the mail. It's a great way for our coupons to get noticed and used!

We look forward to working with you for our 3<sup>rd</sup> year in the Town Planner Calendar.
