Mark,

I just wanted to let you know how well the Town Planner has worked for Downtown Sweets & Eats already. As I mentioned to you in January, we had our first coupon redemption for ice cream on Jan 4! What amazes me is that the coupon for free ice cream doesn't appear in the calendar until July! People really do look through the calendar and use the coupons they want when it's convenient for them.

We continue to receive coupons every week and expect even more as we enter the spring and summer season. I'll keep you posted on results as the year goes by.

I also want to commend you on making the process convenient for me. You're a very detailed oriented person and with my busy schedule you made it so easy for me to do business with you by being prepared. Your assistance and recommendations with the graphic design and coupon offers is much appreciated and I look forward to sponsoring the 2011 calendar.

Oh, and the icing on the cake for me was when you stopped by and told me that Downtown Sweets and Eats was the community's favorite sponsor. It really means a lot to know that we are so well received in the community and to get that feedback from your calendar is wonderful.

Sincerely,

*Sherry*
