

April 13, 2015

The Town Planner has been great for name recognition in my community. I often hear from clients and friends that they have seen my ads in the calendar.

Recently, while on a shuttle bus at the Indianapolis airport, a random person next to me said, "You're Andy, right? I have you hanging on my fridge." Made me feel like a celebrity for a second!

A handwritten signature in black ink, appearing to read "Andy Southard".

Andy Southard
State Farm Agent
51 N 10th St
Noblesville, IN 46060
