Dan,

I would like to compliment you on the 2013 Town Planner. It is once again a professional and informative calendar that I am glad I am associated with. Over the years I have received many leads generated directly from my advertising in the Town Planner. Please also pass along my compliments to Helene Jargon. She has been very valuable over the years in making sure I was represented in a way that has worked out very well for me. I plan on continuing my relationship with the Town Planner for many years to come!

Sincerely,
