Dave,

My brother and I wanted to give some insight as to what it's meant for our business advertisement to be in the Town Planner.

As you know, we are a 3rd generation Nationwide Insurance agency. It's imperative to maintain a strong community presence. With the calendar's great coupons, local events and festival listings, we feel the Town Planner program has helped us achieve this goal.

Thanks for introducing the Town Planner. It's truly one of the best advertising investments we make each year!

Sincerely,

Scott & Jason Sechler
