Brian Burnstein
Publisher
Town Planner Community Calendar

Dear Brian,

This year my business was a sponsor of the Town Planner Community Calendar. I am writing this letter to thank you and express my great satisfaction with quality of your publication. When prospective clients call, they invariably mention how the colorful pillows in my ad really caught their eye. Your art staff took what very little I had and quickly created a beautiful, eye-catching advertisement. The townplanner gave my small business great visibility and elevated it to a more professional level.

Regards,

Mary Boyde
