Bill,

I wanted to let you know that the Calendar is doing great for us. We already have 5 or 6 new clients from it! People are telling us that they've seen our ad in the calendar which tells me that people are hanging it up and looking at it. Many times when I show up at their house, they have the coupon right in their hand. I think the calendar is really nice and we are happy to be in for 2009.

Thank you,

Dennis McMillen
