Dear Barb and Rich,

This is our second year in the Town Planner, and it is working for us! We can't even tell how many we get back. All we can say is it is working.

We are already getting new customers coming right in our door. The calendar has been a great reminder for our customers to get work done throughout the year, since the calendar is on display everyday, all year long!

We really enjoy the calendar at our home, and my wife uses it on a regular basis. It is such a nice piece. It has all the activities for our community in one handy place

The Town Planner coupon program did get a very good response for us, and we have all ready signed up and are renewing for 2014. The calendar is definitely worth renewing

Thank you,

Greg Winters
