Alan,

We continue to get great response from the calendar. I truly believe that it is making everything else I do better. I have been with you since you began your business in Chesapeake with 50,000 calendars. We are now in 120,000 plus homes. It is my desire to be in your publication for the foreseeable future.

Thanks for your support over the past couple of years.  
Thanks again for all your help.
