Alan,

I just wanted to take the opportunity to tell you that the response to our ad in the 2007 Hampton Roads Town Planner has been phenomenal. In the first three months we have at least 15 new customers. The clients that we have secured through your publication has more than paid for our 2007 yearly investment with the Town Planner.

Additionally, as a new business owner, I believe that name recognition is extremely important. I was thrilled to be able to get my name and logo out to so many households. I was more than happy to renew my sponsorship in the 2008 Town Planner. I look forward to a long and prosperous relationship.
