To Whom It May Concern:

As the marketing coordinator of Iberia Medical Center, I have worked with representatives for the New Iberia Town Planner for the past five years. Their enthusiasm, professionalism, product knowledge, and interest in our business is unmatched.

They have extended excellent customer service by providing reliable market information and timely feedback concerning our ad performance. In addition, they have made participation in the Town Planner virtually trouble-free, presenting creative options for our hospital advertising and they have been more than willing to provide artwork and copy assistance. The product sells itself, and I have had comments from customers and from our own employees, on how they value the planner and look forward to receiving it each year.

I have no doubt that you will find your business relationship with these knowledgeable professionals to be one that you will want to continue in the future. I assure you that Iberia Medical Center will be a loyal supporter and customer of the New Iberia Town Planner.

Please feel free to contact me by phone at 374.7216, or by email, eswitzer@iberiamedicalcenter.com, if you have any questions.

Sincerely,

Ellen Switzer
Marketing Coordinator
Iberia Medical Center
