I started advertising in the Ocean State Town Planner in 2009 and am excited to be involved again in 2010. The ads are very affordable and effective.

In the massage therapy business, credibility is important. Ocean State Town Planner has established a good reputation in the community, therefore people trust the businesses who advertise with them.

In 2009 I ran a \$10 coupon and I kept track of how many people presented it when booking an appointment. I'm pleased to say that 16 people came in with my coupon and the majority of them were new clients. I'm certain that those new clients would not have booked an appointment unless they saw my ad.

Thank you and I look forward to working with you in the future!

Sincerely, Jacqueline Binette Davis, LMT
