Steve –

It works! The Town Planner is great. My business has increased immensely due to the Calendar. As a matter of fact even before the 1st of the year the response I had from my coupons had almost paid for my entire ad!

In summary, the direct return on investment in the Town Planner was 4 x's that of my investment, not to mention the indirect branding benefit from having my logo on display in the homes of DeForest & Windsor residents. I can't wait for 2011!

Thank you for publishing such great product. Make sure you save a spot for me in next year's Calendar. I am interested in any other communities you publish to as well!
