Mark,

First I have to say sorry to you. You asked me to give the Upstate Town Planner a try for advertising my business and I was very hesitant to sign on with you. I hate to admit it but you were right. I have already had two customers who found me in the calendar. I can't wait to see what happens throughout the year. All I can say is if I can get two customers a month for the rest of 2011 the ad will more than pay for itself. If you have any hesitation about using Mark and the Upstate Town Planner for your advertising needs, DON'T. You won't be disappointed.
