Potential Town Planner Customers:

Cartridge World Maple Grove has been advertising with Town Planner for the past two calendar years. We have been very pleased with the results as we get 25-30 redemptions every month. That translates into over \$10,000 of additional revenue over the calendar year.

The flexibility that Brian and his team adheres to in designing a program that is suitable to Cartridge World gives us the capability to develop an overall advertising budget that meets our specific goals. And the professionalism shown by Brian, Tony and the rest of the team at Town Planner makes it a pleasure to partner with them on this project.

Because of the relationship developed over the past two years, and the success of our experience, we again have been included in the 2013 calendar.

Brian, thanks for the past two years and we look forward to our continued relationship.
