RE: Letter of Support

In an effort to provide our residents with important information about our local government and community events, I am pleased to support the Town Planner Community Calendar for the Town of Dyer. This *free* 2010 calendar will be mailed to every homeowner in Dyer this December, approximately 8,000 households!

The calendar provides our businesses an excellent opportunity to advertise products or services 365 days a year. In addition, business will have the opportunity to be involved in a community project while being able to provide our residents with a free gift.

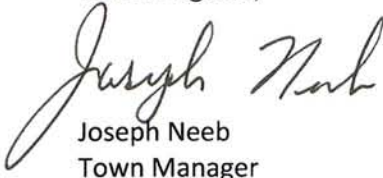

Residents will appreciate having access to school schedules, coupons, important local phone numbers, as well event listings for Dyer's Centennial Celebration for 2010, the Parks Department and the Chamber of Commerce.

If you would like to advertise or have a specific event or activity you would like to publicize, please call Stacy Travis, area resident and publisher of the Town Planner at (219) 384-3555 or email [travis@townplanner.com](mailto:travis@townplanner.com).

I am excited to participate in this effort to provide the residents of Dyer with important information about our local government, business community and community events.

I wish you and your family a safe and happy year!

Warm Regards,

Joseph Neeb  
Town Manager
