RE: Town Planner Chapel Hill

On behalf of the Orange County Visitors Bureau, I would like to express my thanks and appreciation for the Community Calendar Town Planner for Chapel Hill.

Thank you, too, for your commitment to add more Carrboro and Hillsborough coverage in your upcoming editions.

The Calendar is a great compilation of community events, services, phone numbers, school schedules and other important, dated information. The photos are a great promotional reminder of top venues in our area.

The Calendar is community-focused and it's wonderful to display it and be reminded of local businesses and offers.

Thanks too for your excellent customer service and "likeability factor."

You represent your product well; with earnestness and honesty and we always enjoy seeing you.

Thank you for relying on us as a resource so that we may better promote Orange County.

Laurie
