

Bernard A. Streeter  
Mayor  
City of Nashua

June 27, 2006

Dear Nashua Business Owner:

Our city continues to be an extraordinary place to live, work, play and retire. Nashua offers a host of opportunities for all - from our network of nature and biking trails, beautiful parks, fine dining, eclectic shopping, a vibrant arts scene to Holman Stadium, home to professional baseball and dozens of athletic and charitable events.

In an effort to provide our residents with important information about our local government and community events, I am pleased to support the **Town Planner** and their publishing a year **2007 community calendar** for the city of Nashua. This free calendar will be mailed to over **35,000** households and businesses in mid-December.

The calendar also provides our businesses with an excellent opportunity to advertise products or services in an attractive and useful format. Additionally, this year's calendar will promote events sponsored by the Greater Nashua Chamber of Commerce, Great American Downtown and our city.

Nashua businesses will be given the first opportunity to purchase advertising in the calendar. If you would like to advertise or have a specific event or activity you would like to publicize, please call Perry or Yolanda Spearman, local residents and publishers of the **Town Planner** at (603) 791-4748 or email [spearman@townplanner.com](mailto:spearman@townplanner.com)

These are exciting times and as your Mayor I'm delighted to play a role in Nashua's growth and prosperity and I would encourage you to support the **Town Planner**.

I wish you and your family a safe and happy summer!

With warm regards,

Bernard A. Streeter  
Mayor
