To Whom It May Concern:

I wanted to let you know I have participated with the Town Planner Calendar from the beginning. I still find it well received by the public and continue to have a large number of coupons redeemed. It has helped my eyecare practice to grow.

I appreciate Grant and Marlene for all the work they do to make our advertising look professional. I would recommend anyone to advertise in the Town Planner Calendar.

Sincerely,

John H. Muto, O.D.
