Steve:

I want to let you know how pleased I am with the results we have already seen with the Town Planner.

This is the best advertising I have done! It is only January and I have already seen a great redemption on my coupon offers.

I am truly excited to participate in advertising that works so effectively, as well as provides a benefit to the community.

I would recommend any business give consideration to participating as a Town Planner sponsor. You really mean it when you say "on display every day."

Sincerely:

Fran Dewitt
