

The Pet Shop

LaVale Plaza Shopping Center • LaVale, Maryland

To whom it may concern:

The Pet Shop participated in the 2005 Town Planner Calendar, and found the results exceptional. We are getting coupons in every day, and in fact have already renewed for 2006 and have added editions to increase our exposure further.

From an advertising aspect, the Town Planner is a great way to get your name and image in front of as many people for a 365 day time period, and at a very good price. I would recommend the Town Planner to anyone who want to make their business known.
