

JEFFERSON PARK VETERINARY CLINIC

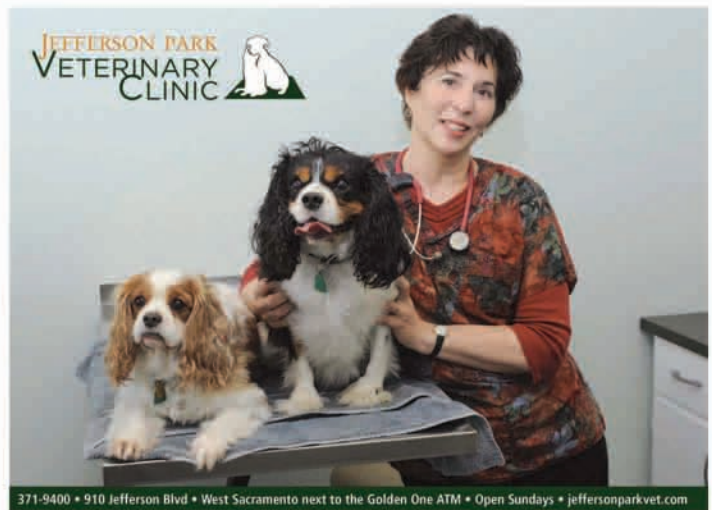

Dear Joyce and Staff of the Townplanner

I advertised in the Town Planner for the first time this year when I opened up my own veterinary clinic, Jefferson Park Veterinary Clinic in West Sacramento.

Joyce is a pleasure to work with and she produced very attractive ads and photographs for the calendar. We have gotten good responses from the coupon ads and it has helped introduce our new clinic to the West Sacramento community.

Thanks everyone,
Carol P. Mandell, DVM PhD
