Town Planner Community Calendar

Dear Brian,

I am very pleased to be a sponsor of the Town Planner Community Calendar. Our companies share several common values but, most importantly, are our mutual emphasis on supporting the local community. It is one of the key reasons I have renewed our sponsorship for the 3rd year.

Town Planner is a wonderful way for CLIX Portrait Studios to keep its name in front of the thousands of local residents, as well as fellow business owners. The shelf-life and visibility of your calendars is unmatched in the direct mail industry. I would highly recommend the calendar to other business owners that are looking to support their local community and increase store foot traffic. I look forward to continuing our relationship for many years to come.

Sincerely,

Sandy Pawlyszyn
Owner
