

D&D Plumbing, LLC

As we have already renewed our fourth year with the Town Planner, I wanted to take the opportunity to drop you a short note as to why we find our participation so valuable.

As a plumbing business who services homes and businesses in Hampshire and surrounding counties, we see firsthand that most everyone has the calendar hanging up in their homes. As a business who mostly relies upon infrequent or situational purchases from emergencies or repairs, being on display all of the time in the Town Planner has been very beneficial to our business.

We see our coupons redeemed from both the print calendar and website all year long. We have also experienced both existing and new customers redeeming our coupons.

We also appreciate the opportunity to sponsor the calendar which promotes local events and local businesses.
