Mr. Larry Paulozzi
Town Planner Calendar
3046 Brecksville Road
Richfield, OH 44286

Hello Larry,

Yes, I am happy to renew our Town Planner Sponsor Agreement for another year.

I want you to know that our response to the calendar in 2021 was better than 2019 and 2020 combined. Advertising in your calendar overtime creates more opportunities for our business to succeed. This makes the decision to re-new extremely easy. I really think your new "smart" size gives us much better visibility in the homes we serve. Thank you for your attention to detail in design work, connecting us with our community, and helping us stay top of mind.

Sincerely,

Jeff Schleckie
