

April 26, 2011

Dear Rich,

When I visit many homes in Lake County, the Town Planner is present and noticeable because it's on display every day on refrigerators, or the workstation area in the kitchen.

The calendar is perfect for scheduling family appointments and children's activities.

It's also a great year round marketing tool, and I'm looking forward to participating next year!

A handwritten signature in cursive script that reads "James D. Smith".
