RE: Town Planner Calendar

The Zionsville Town Planner has been an important part of our marketing since it was introduced into the Zionsville market. We love the exposure we receive and the high visibility in most homes in the market...we see it hanging in home-after-home, when showing houses.

We often get called in January – someone didn't receive a calendar and doesn't want to miss out. Most importantly, we credit this advertising to several transactions.

The Laviolette Group will be a continuing advertiser for years to come.
