

April 2nd 2015

TO: Town Planner, Nancy McIntosh

FROM: Greg Dean Real Estate

SUBJECT: Town Planner advertising

I have been with **Town Planner** for several years, usually purchasing several pages of picture ads.

The number of clients who tell me they have seen my picture/ad on the **Town Planner** was at first-quite surprising, but as I've come to know, quite effective.

Working with Nancy has been very friendly and easy, in fact she helps our local Rotary Club advertise community events at no charge along with other community minded organizations, this is a great service to our small town and service organizations whose monies are better spent on their goals than advertising.

I especially like the idea that there will be no competitors on my pages unless I agree & I have, there is always competition in every area and we should be able to compete fairly.

If any other business has questions or concerns about Town Planner, Community Calendar, they are more than welcomed to call or email me @ GregDeanRealEstate@gmail.com , 810-877-8400
